

## MUUMUU FROM MY MAMA (Hali Hammer)

I was going to a party, didn't have a thing to wear, ooh  
I was going to a party, didn't have a thing to wear  
And I didn't want to be  
Some wallflower just sittin' in a chair

So I went over to my mother's  
I said, "Can you help me mama please?"  
Yeah I went over to my mother's  
I said, "Mama, mama, can you help me please?"  
She slid back her closet door and said  
"Here, help yourself to one of these."

*I got a muumuu from my mama  
With orange flowers all around (got a muumuu, muumuu from my mom)  
I got a muumuu from my mama  
Yellow and trailing to the ground (got a muumuu, muumuu from my mom)  
I got a muumuu from my mama, ah  
Now you know I'm party bound!*

(Instrumental)

Tiki torches were lit, the pu-pu platters piled on high, ooh  
Tiki torches were lit, those pu-pu platters piled on high  
And I'm feeling so happy, wish I had wings  
So this dress and me could fly (and I'll tell you why!) – 'cause

*I got a muumuu from my mama  
With orange flowers all around (got a muumuu, muumuu from my mom)  
I got a muumuu from my mama  
Yellow and trailing to the ground (got a muumuu, muumuu from my mom)  
I got a muumuu from my mama, ah  
Now you know I'm party bound!*
